

Prayer Garden

The Poor Handmaids of Jesus Christ Prayer Garden is a quiet place away, an area dedicated to God and to our loved ones. Personalized memorial bricks pave the way through the tranquil garden. They create a distinctive impression and are a unique way to memorialize those dear to you and God.

Prayer Garden Map and Brick Locations

Garden Map

The Garden is located behind the Lindenwood Retreat & Conference Center next to the outdoor labyrinth and the quiet waters of Lake Gilbraith. Many visitors walk through the garden, slowly reading the names on the bricks and praying for the persons whose names are inscribed there.
